

# Air/Oil Separator Elements

**SOLBERG**  
Discover the Possibilities

## THE SOLBERG ADVANTAGE

- ◆ Convenience
- ◆ Superior Performance
- ◆ Technical Support
- ◆ Delivery
- ◆ Solutions
- ◆ Service

## FEATURES

- ◆ Superior separation technology
- ◆ Multiple stage air/oil separator element
- ◆ 100% continuity tested
  - Integrated anti-static grounding connections
- ◆ Wrapped or pleated designs available
- ◆ Maximum surface area to flow ratio
- ◆ Corrosion resistant material
- ◆ Wide range of operation flows
- ◆ Minimal oil loss
- ◆ Minimal element replacement

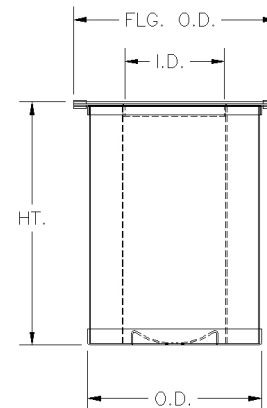

Integrated Anti-Static Grounding Connections

### Compressor Systems: Collapse Rating: 75 PSI
