

Water and Dirt Problems in Critical Pneumatic Applications?

Get Absolute Protection! Pure, Dry, Water-free Air with RTI's

Eliminizer®
Patented

ELIMINIZER®

APPLICATION DRYER

Absolute protection from water condensates at the point-of-use. Plus cleans the air to 1 Micron. Long-life replacement elements.

EXTREMELY EASY TO SERVICE

Long service life for the replacement elements
No Tools Required!

EXCELLENT, PROVEN APPLICATIONS

- Materials Handling Equipment
- Robotics
- Injection Molding
- Protect Air Power Tools
- CNC Equipment
- Automotive Assembly Equipment
- Cement Plants
- Abrasive Blasting
- Manufactured Housing
- Lumber Mills
- Paper Manufacturing
- Metal Casting...and more!

“ Works like a dryer,
Costs like a filter! ”

Eliminizer® Application Dryer Includes:

RTI **EXCLUSIVE** “Inverse Flow™” air drying technology,
H.D. automatic drain (with RTI exclusive drain guard feature)
Element change indicators (optional), long life/easy spin-on
spin-off replacement elements.

Water and Oil Problems in Critical Pneumatic Applications?

Get Absolute Protection! Pure, Dry, Oil-free Air with RTI's

ELIMINIZER® COMBO

APPLICATION DRYER

Water-free, Oil-free, Dirt-free Air!
99.99998% efficiency at 0.01 Micron
is one of the highest ratings in the
industry. Eliminates both water condensates
and oil aerosols at point-of-use.

EXTREMELY EASY TO SERVICE

Long service life for the replacement elements
No Tools Required!

EXCELLENT, PROVEN APPLICATIONS

- Production Spray Paint Systems
- CMM
- Textile Production Equipment
- Food Processing Equipment
- Instrument Air
- Blow Molding
- Dental Equipment
- Photographic Labs
- Wood Finishing
- Bottling/Brewing
- Vacuum Applications....and more!

“ Works like a dryer,
Costs like a filter! ”

Eliminizer® Combo Application Dryer Includes:

RTI **EXCLUSIVE** “Inverse Flow™” air drying technology, 0.01 Micron 2nd stage coalescer, H.D. automatic drain (with RTI exclusive drain guard feature) Element change indicators (opt.) long life/easy spin-on spin-off replacement elements.
